

World Siphonist Championship 2023

Sponsorship Opportunities

The World Siphonist Championship is where participants compete for the world champion and was started in Japan as the only international competition of its kind. Its scale has increased each year. At the last competition, eight national winners competed for the world title, and it has attracted attention to siphon coffee in their countries in recent years.

We hereby introduce sponsorship opportunities to further develop these competitions.

Overview	
Name	World Siphonist Championship (WSC) 2023
Organizer	Specialty Coffee Association of Japan
Outline	The competition was launched as a siphon category under the Japan Barista Championship in 2003. In 2007, the Japan Siphonist Championship (JSC) was born as an independent competition. The World Siphonist Championship (WSC) has been held as a Japan-born international competition since 2009.
Rules	Competitors serve blended coffee brewed with siphons and signature beverages made with the siphoned coffee. Scores are not only given regarding the taste of the coffee but also to the performance and presentation demonstrated by the competitors. The elegant movements of the competitors while skillfully using a halogen heater siphon are fun to watch, as such sights are not commonly found elsewhere.
Date & Venue	One day between September 27 to 29, 2023, at the SCAJ 2023, TOKYO BIG SIGHT, West Hall
Hosted by	Specialty Coffee Association of Japan

WSC 2018 - TOP3 Competitors

Sponsors are referred to as companies supporting the World Siphonist Championship 2023. This will contribute to maximize the brand value of your products through exposure of name and/or logos of your company at the venue and in various publications. Sponsors can also showcase and advertise their products at the venue.
