Subject: [WSC2025] Score Correction and Ranking Revision

We wish to inform you of a score correction for the competitor Mr. Shaochi Chu (Taiwan), which resulted in a revision of the final ranking.

Due to an unexpected scoring error, the final rankings were revised after several careful reviews and the addition of the appropriate points.

Background:

During the debriefing after the WSC2025 Award Ceremony, Mr. Shaochi Chu raised an appeal concerning the scores recorded on his Technical Scoresheets.

The judging team promptly reviewed the case and held several discussions.

After careful consideration, the score correction was officially confirmed and has been implemented.

Impact on Ranking:

- **3rd place:** Mr. Shaochi Chu (Taiwan)
- **4th place:** Ms. Guo Xiaoyan (China)

We are committed to review the cause of this error and will take appropriate measures to prevent such an incident from occurring in the future.

Rest assured that we will learn from this experience and continue our commitment to ensuring the highest standards and continuous improvement in the competition.

We appreciate your understanding and continued support as we work to improve the accuracy and fairness of WSC judging procedures.

Sincerely,

Kuranaga Junichi
Secretariat General
